

Applied & Custom HVAC Equipment

BROOKS
BAIR
SYSTEMS

Our highly experienced sales and application team assists our clients in taking a project from an early design concept all the way through delivery and start up. We take the most complex projects and execute them on-time and with close coordination to your job schedule. We partner with the top tier companies in their respective markets to ensure that any project we are involved in will be guaranteed by the best equipment in the industry.

ALERTON[®]

Native BACnet Building Automation Systems

ABB

Low voltage variable frequency drives and soft starters

ADDISON.

Packaged and split systems 100% OA applications, hot gas reheat, liquid sub-cool coils, energy recovery systems, special coastal coatings

 **Change'Air**[™]
PRODUCTS AND SERVICES LTD

Vertical chilled water, DX, and water source heat pump unit ventilators

 **DADANCO**

Breathing Life Into Your Building
Active Chilled Beams, Induction Diffusers, and Induction Unit Consoles

 **Dectron**

Advanced technology 100% outside air units, humidity control for indoor pools and spas

 **DAIKIN**

High efficiency variable refrigerant volume heat pumps

 **ENVIRO-TEC**[®]
ENGINEERING FOR EXCELLENCE

Manufacturer of single, dual duct, and fan powered VAV boxes, fan coil units, and air handling units

incēnia

Custom air handling units with no thru metal and knock down construction designs

 **LENNOX**[®]
COMMERCIAL COMFORT SYSTEMS

High-efficient and advanced packaged rooftops, split systems, and HVAC controls

 **MULTISTACK**

Modular water cooled and air cooled chillers for retrofits, mission critical applications, and sound sensitive applications

McQuay[®]
Air Conditioning

Air cooled and water cooled chillers, central station air handlers, applied rooftop units, vertical self contained units, fan coils, unit ventilators, water source heatpumps, tempifiers, heating and cooling coils

SecureAir

Advanced technology for the control of indoor air quality

 **SEASONS 4**

Custom packaged DX and chilled water air handling units

Systecon[®]

Packaged pumping systems, controls, and packaged central energy plants

UltraViolet Devices, Inc.

Ultraviolet technology for air purification and disinfection
